

answersingenesis

believing it. defending it. proclaiming it.

The Creation Museum Main Theme and Vision Statement

The Bible is true from Genesis to Revelation

The project

The Answers in Genesis Creation Museum is a one-of-a-kind, high-tech museum, filled with animatronic displays (e.g., moving dinosaurs), striking videos, a state-of-the-art planetarium, Special Effects Theater, etc., that is spread out over 60,000 square feet, incorporating up to 40-foot ceilings to contain some of its massive exhibits. The museum will go beyond telling the compelling story of the creation of life on this planet to proclaiming the Bible as supreme authority in all matters it addresses.

Set to open on May 28, 2007, at its location in northern Kentucky 2 exits west of the Cincinnati Airport, this \$27 million “walk through history” museum will counter evolutionary natural history museums that turn minds against Scripture – and Jesus Christ, the Creator of the universe.

The museum's striking exhibits - which have already drawn glowing reviews from national and international print and electronic media* – demonstrate to guests that the Bible is the “true history book of the universe” as they take a time journey through a visual presentation of the “Seven C’s of History” according to Scripture: Creation, Corruption, Catastrophe, Confusion, Christ, Cross and Consummation.

Throughout this family-friendly experience, visitors will learn how to answer the attacks on the Bible’s authority in geology, biology, anthropology, cosmology, etc. They will also discover how science actually confirms biblical history, and be challenged to consider how the first 11 chapters of Genesis – the first book in the Bible – addresses modern cultural issues such as racism, same-sex marriage and abortion.

The museum will also feature classrooms for use by school groups, pastors and special groups. This unique facility is surrounded by a beautiful 49-acre wooded property that also features more than two miles of nature trails and a three-acre lake.

The museum is located two exits west of the Cincinnati Airport off I-275 at exit 11. Almost two-thirds of America’s population lives within 650 miles of the museum.

Mission statement

Exalt Jesus Christ as Creator, Redeemer and Sustainer through a safe, wholesome, family-friendly center for learning and discovery.

Equip Christians to better evangelize the lost through a combination of exhibits, research, and educational presentations that uphold the inerrancy of the Bible.

Challenge visitors to receive Jesus Christ as Savior and Lord and to accept the authority of the Bible

CREATION MUSEUM

Prepare to believe.
